Re: Correction of Customer Number

Dear Ms. Evans:

In accordance with your telephone conversations with Liz Anderson of this office, the following is a list of the application numbers for which correction of the customer number is required. For those applications that we do not know the application number, the name of the applicant, the Express Mail label number and client/matter number have been included. The customer number should be changed from 28675 to --28765--.

- (1) 09/902,555
- (2) 09/902,556
- (3) 09/902,557
- (4) EL803540457US (S. Beckett, 88256-4023)
- (5) EL803539935US (J. Wang, 88265-5792)
- (6) EL803539935US (A. Yayon, PRO/003 US)
- (7) EL803540430US (R. Fritsche, 88265-6425)
- (8) EL803539856US (M. Lehmann, 89976-1499)
- (9) EL803539856US (M. Lehmann, 89976-1799)

As Liz has already mentioned to you, the mistake occurred when two numbers within the customer number were transposed on the Utility Patent Application Transmittal form used in submitting these applications for filing.

It is our understanding from your discussions with Liz that you will update the Patent Office records for those applications that have been processed, and you will resend any Patent Office correspondence that has already been sent and restart the date for any corresponding responses. It is also our understanding that that you will attempt to put a copy of this letter in each of the remaining application files that have not been fully processed in an attempt to direct future correspondence to the correct customer address, *i.e.*, Winston & Strawn, 200 Park Avenue, New York, NY 10166-4193.

Should you have any questions or need further information, please call Liz at 202-216-8602. We will contact you in approximately one week to determine for which files you have been able to successfully correct the customer number. Your assistance in handling this matter is greatly appreciated.

Very truly yours,

Allan A. Fanucci (JAW)
